Event No 5A : Championship Run-off

The 3-heat Racing Car Championship was scored on points: 5-4-3-2-1 for 1st 5 places in each heat. After the three heats the points were:

Merv Dudley 5 + 3 + 5 = 13 pts; Sid Taylor 4 + 5 + 4 = 13 pts.

A 3-lap run-off was held to avoid a dead heat. [Dudley and Taylor split the prizemoney between them, and suggested the runoff. It would have been equally reasonable to add up the total time for the three races.]
